BEA FREDERICKSON

Meet Bea Frederickson, our first Classified Employee of the Month, which will be a regular feature of our new OSEA Chapter 152 newsletter!

Bea, an Administrative Assistant III supporting several instructional departments, has worked at the RCC Riverside Campus since 1997. Her office is located on the third floor of the Higher Education Center.

[In 14 years, Bea has
never once let me down.]

Bea “is one of the most professional people I have ever known,” said math instructor Kathie Davidson. “She is thorough in everything she does but, more importantly, she always makes time to help students and staff.”

Colleagues say Bea is helpful and kind, and always smiling. “She is always pleasant and goes out of her way to do extras,” Davidson said. “For instance, Bea knows that I like to have my classroom one hour before and one hour after my class to help students. Without asking me, she checks with scheduling every term to make this happen.”

Math instructor Rick Lindsey said, “In 14 years, Bea has never once let me down.”

Way to go, Bea!

All RCC employees are invited to send Classified Employee of the Month nominations to Sarah Wofford at swofford@rogucecc.edu.

Interested in professional growth?

As an educational institution, Rogue Community College encourages staff to continue professional growth and education. The college has funds established to provide financial assistance for professional growth opportunities.

As of July 1, requests for Professional Growth funds are open for the 2019-20 fiscal year.

Any classified employee may request up to \$750 per fiscal cycle; part-time employees are eligible for a pro-rated amount. Requests are handled on a first-submitted, first-served basis until the fund is exhausted.

Appropriate use of professional growth funds includes workshops, seminars, meetings

and conferences (registration fees, lodging, travel, per diem meals and other related expenses); textbooks and supplies for classes for which the employee has registered; or tuition and fees at RCC beyond those covered by the staff waiver.

Employees must submit their own request and supporting documents, signed by their immediate supervisor. You'll need to use the latest version of the Classified Professional Growth Request form. Find it within the RCC Human Resources SharePoint site (<https://web.roguecc.edu/human-resources>).
